Number of Cases Produced: 435

Release Date: March 2024

Winemaker's Note

Beautifully balanced with integrated layers of black cherry, and brambly fruits, mixed with dried herbs and baking spices. Evolving with air into bittersweet chocolate and mouth-watering fresh cherries across the palate. Inky and powerful, the mineral core and mountain fruit shine through, showcasing the intensity of the red volcanic soils and natural characteristics of Pritchard Hill.

"The 2021 Gandona is another superb wine from the estate. Black cherry, mocha, chocolate, spice, and cloves race across the palate. Inky and explosive to the core, 2021 is super-promising, but also shockingly tannic considering its flamboyant fruit. This base blend is 100% Cabernet Sauvignon."

98 points-Vinous, Anthony Galloni
